

Dear colleagues and Researchers,

It is a pleasure to invite you to submit your research papers to **The 5th International Conference on Intelligent Education and Intelligent Research (IEIR 2026)**, to be held **November 4–7, 2026**, in **Kuala Lumpur, Malaysia**.

IEIR 2026 will be co-located with the **Second Malaysia–China International Conference on Educational Development (MICED 2026)**. Together, the conferences aim to foster global dialogue, interdisciplinary collaboration, and innovative practices in intelligent education and intelligent research.

### **Call for Papers**

We invite submissions of papers on all topics related to intelligent education and intelligent research, with topics including, but not limited to **Integration of AI, cognitive computing, robotics, and emerging technologies in education and research**. All accepted paper will be indexed by EI Compendex, and selected papers from IEIR 2026 could be invited to publish in SCI/SSCI-indexed journals. All papers will be reviewed in a blind peer-review process and accepted papers will be presented at the conference. Prospective authors are invited to prepare submissions of **four to eight** A4 pages (including tables, figures and references) in standard IEEE double-column format. Papers will be accepted only by electronic submission through the [conference website](#) form which guidelines and templates are available. Paper submission website is coming soon.

### **Topics of Interest**

#### **1. Educational Metaverse**

- Virtual/augmented reality in learning
- Immersive experiences and digital twins

#### **2. Cognitive Computing in Education & Research**

- Learning/teaching/research process computing
- Knowledge construction and tracing
- Learning diagnosis and adaptive assessment
- Research task and entity computing

#### **3. AI empowering education**

- Man–machine cooperative education
- AI–education integration
- intelligent tutorial systems
- Avatar teacher · Virtual tutor/learner
- Educational AI ambiance · Ergonomic education systems

#### **4. AI empowering research**

- Man–machine cooperative research · AI & research integration
- AI research assistant / writer / reviewer
- Ergonomic research systems · AI scientific metrics
- Human research experience · Intelligent research ambiance

#### **5. Educational robotics**

- Robot development & evaluation
- Course development for robots

- Robot-powered education

#### **6. AI security in education and research**

- AI-aided ranking (education & research)
- AI-aided authentication · IP protection
- Trusted knowledge

#### **7. Applications in education and research**

- Cloud / Teaching / Learning systems
- Learning diagnosis · Course systems
- Research service & management systems

#### **Important Dates**

Paper Submission Deadline	31 July 2026
Notification of Acceptance	15 September 2026
Camera-ready Submission	30 September 2026
Early-bird Registration	15 October 2026
Conference	4-7 November 2026

#### **Contact & Website**

For more information about the conference, please check the conference website: <https://ieir2026.org>

For general inquiries, please contact [erai@ccnu.edu.cn](mailto:erai@ccnu.edu.cn).

We look forward to seeing you at IEIR 2026.

Sincerely,

IEIR 2026 Organizing Committee

# IEIR 2026

International Conference on  
Intelligent Education and Intelligent Research

## Overview

**International Conference on Intelligent Education and Intelligent Research (IEIR)** aims to bring together worldwide academics, researchers, engineers and practitioners from academia, education and industry to exchange and share their experiences and research achievements on all aspects of Education, Research and Artificial Intelligence. It also provides an international and interdisciplinary platform for academics, researchers, engineers, practitioners and educators to present and discuss the emerging trends, challenges, opportunities and methods on synergizing human and AI in education and research. The target audiences of the conference are diverse and include those working in various education sectors and researchers of various disciplines.

**IEIR 2026** will be held from November 4th to 7th, 2026, in **Kuala Lumpur, Malaysia**.

## Topics

Topics of interest include but are not limited to the following:

- Educational Metaverse
- Cognitive computing in education and research
- AI empowering education
- AI empowering research
- Educational robotics
- AI security in education and research
- Applications in education and research

## Key Dates

Paper Submission Deadline	<b>31 July 2026</b>
Notification of Acceptance	<b>15 September 2026</b>
Camera-ready Submission	<b>30 September 2026</b>
Early-bird Registration	<b>15 October 2026</b>
Conference	<b>4-7 November 2026</b>

## Publication

All accepted paper will be indexed by **EI Compendex**, and selected papers from IEIR 2026 could be invited to publish in SCI/SSCI-indexed journals.

## Further Information

You can find further information from  
conference website: <https://ieir2026.org>
